

Draft Congressional District Maps

Shaun Gallagher

to redistrictingcommittee

To whom it may concern:

I don't know who or what came up with the new legislative map boundaries but everyone that took part in its development should be fired immediately for incompetence. This is the worst drawn garbage I've ever seen and I am now ashamed to call Illinois home. My kids could draw a better map on the back of a kids menu with the three color crayons at Pizza Hut. We are a complete joke of a State and should honestly send no Representatives to Washington if this is the best we can do. Simply put, this work is an absolute dumpster fire and nothing close to Democracy. Fail.

With disgust,

Shaun M. Gallagher, P.E.
